

# **BUY BEFORE YOUR COMPETITORS COME FLOCKING AFTER THIS HOT NEW FISH BIN**

- *The 600 litre Horen Solid Fish Bin has the capacity for hard work, on board vessels, in the processing plant or for making bulk deliveries*
- *Light robust and moulded from HDPE food grade plastic, the Horen Bin is resistant to chemical and UV attack*
- *Internal and external surfaces are smooth and non-porous for easy cleaning, meeting the most stringent hygiene standards. Smooth surfaces and inherent strength also better protect the quality and value of contents*
- *With the 1200 by 1000mm footprint of the New Zealand standard pallet, the Horen Bin is the perfect fit for existing storage, conveyor and transport systems*
- *Four-way entry makes for simple and efficient forklift handling*
- *The Horen Bin is recyclable at the end of its long service*
- *Accessories include lid, wheels and liquid drainage taps*
