- ♦ Flat to *WOW* in seconds – Viscount’s RDU unfolds from 372mm to a 1032mm high display bin and is not short on retail impact. A drop down front further increases customer appeal
- ♦ *WOW* what savings – Viscount’s Reuseable Foldable Crates deliver cost savings by utilising one crate from field to POS and then fold flat for freight cost and storage savings. Three sizes available
- ♦ *WOW* on wheels - Viscount’s Rolling Shopping Basket combines the functions of a regular basket with the mobility of a shopping trolley including customer-appealing design, and comfortable handle settings

* Only while stocks last, excludes GST & freight
